

RADIO BUILDS GAS STATION BRANDS

Canadians exposed to **GAS STATION** advertising were almost **THREE TIMES** as likely to recall hearing the advertising on **RADIO** compared to advertising on all other channels. The secret of effective branding is to ensure that all aspects of brand communication reflect a common theme and character. A study of RadioGAUGE campaigns revealed that advertisers who used an established creative treatment, unified their creative messaging across audio and video channels, and/or used a sonic branding device, had the most successful results across all measures.
